Team Registration and withdrawing from a League:

A non-refundable \$150 deposit is required to register a team along with a signed registration form. Full payment is required by the start of the second game.

If payment is not made the team will not be allowed to play until the full payment has been received.

If a team must withdraw from the league for their own reasons or if they are suspended for violating KC rules and/or policies, the league fee will not be refunded and they will owe remaining payments, regardless if we have a signed form or not. Once the schedules have been posted teams will no longer be allowed to withdraw from the league without being held responsible for the full payment amount. If they have paid in full there will be no refund given. Open balances will be charged 18% interest beginning Day 30. After 90 days past due managers will be sent to collections. The manager must be an adult and is responsible for the team's account.
